Cantoni's Posh Paws Program Created To Rescue Animals at Risk

This June, Cantoni, one of the finest contemporary furniture stores of it's kind, will host Posh Paws, a two-part program that celebrates our love for dogs, cats and other pets, promotes awareness of our best friends at risk, and helps rescue the lives of countless animals in Cantoni's five markets (Dallas, Houston, L.A. and Irvine, CA, and Atlanta).

Posh Paws was inspired by a stylized polyethylene puppy created by renowned designer Eero Aarnio. The Aarnio Puppy, which is made in three sizes and four colors, can stand alone as a sculpture, a toy, a small stool, or whatever your imagination wants it to be. But Cantoni wants it to be something more: So in our effort to raise money for these organizations, we have teamed up with celebrities, artists, sports figures, authors, musicians, and businesses to embellish 18 stylish polyethylene puppies to be auctioned off at our hip gala event scheduled for Saturday, June 28, from 7pm-9pm at Cantoni Houston located at 9889 Westheimer Road with 100% of the proceeds benefiting Homeless Pets Placement League, Homeless & Orphaned Pets Endeavor, and Friends for Life.

Cantoni plans to celebrate Posh Paws the entire month of June. In addition to the Gala and Auction there are scheduled events each weekend including an appearance by Radar the weather dog and renowned trainer Jim Burwell, and 30 other vendors during the June 7th kick-off weekend.
